

Meyer® - Licensed Snow Plows and Spreaders of Jeep® and Ram Trucks and SUVs

Cleveland, September 15, 2020 - **Beginning this fall, Jeep and Ram owners and enthusiasts can easily equip their vehicles with a Ram or Jeep licensed snow plow and spreader. All plows and spreaders will be engineered and manufactured in the USA and available at your local participating Ram and Jeep dealerships.**

Marcus Scherer, Meyer CEO, says, “We are proud of the fact that Meyer is the first company in the industry to be awarded a license by two of the top vehicle manufacturers in the world. Jeep and Ram plows and spreaders are available for homeowners, independent contractors and fleet purchasers.”

Meyer Products LLC was acquired by the Aebi Schmidt Group in 2015. The Aebi Schmidt Group is a global leader of smart systems and services for the treatment of mission critical infrastructural and agricultural areas. The Meyer product line contributes to Aebi Schmidt’s strategy with an extensive range of snow and ice control equipment for homeowners, contractors and municipalities. Meyer’s product innovations and industry knowledge have been improving transportation safety and convenience since the day it invented the auto snow plow in 1926.
