

Blaster Warranty Effective July 1st, 2022

What Is Covered:

Meyer Products, LLC, warrants to the original purchaser of Meyer branded products, that they will be free from defects in materials and/or workmanship, with the exceptions stated below. No person is authorized to change this warranty or to create any additional warranty on Meyer branded products.

How Long Covered Lasts:

This warranty runs for a period of two (2) years from the date of purchase of a Blaster spreader. If the Blaster spreader is registered online within sixty (60) days of the date of purchase, your warranty for the Blaster spreader will be extended for a period of three (3) years; for a total of five (5) years. In addition to the warranties covering the Blaster spreader, you will receive a warranty period of one (1) year from the date of purchase of individual parts, components, and accessories. All foregoing warranties apply only to an original purchaser of the product if the product is installed by an authorized distributor, or sub-distributor, and terminates if the product is sold or otherwise transferred. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

What Is Not Covered:

- Problems caused by failure to follow the product instructions, failure to maintain the product as described in the Owner's Manual, or failure to maintain proper levels of fluids and lubricants.
- General maintenance such as oil changes, lubricating, re-tightening/replacing hardware or other components, fuses, loose connections, etc.
- Problems caused by contamination or restriction of lubricants or damage resulting from rust, corrosion, freezing, or overheating.

- Damage to any vehicle to which the products are mounted or the suitability of any product for vehicles which are not fitted with the appropriate spreader preparation parts.
- Damage caused by usage that is not in accordance with product instructions (use of the spreader for any purpose other than spreading applicable material is considered misuse and abuse).
- Any spreader, part, component, accessory, or assembly thereof, which has been modified or altered.
- Problems caused by using parts, components, or accessories not supplied by Meyer Products.
- Cost of tax, freight, transportation, storage charges, environmental charges, solvents, sealants, lubricants, or any other normal shop supplies.
- Cost of gas, lodging, mileage, or any other incidental costs incurred with installation, maintenance, or transportation of the spreader.
- Problems caused by collision, fire, theft, vandalism, riot, explosion, lightning, earthquake, windstorm, hail, water, flood, or any other Acts of God.
- Liability for damage to property, injury to, or death of any person arising out of the operation, maintenance, or use of the covered product.
- Liability or cost of modification to the spreader and/or vehicle required for installation or maintenance.
- Products with missing or altered serial numbers.

The original purchaser's sole and exclusive remedy against Meyer Products and its distributors and sub-distributors, and Meyers Products' sole obligation for any and all claims, whether for breach of contract, warranty, tort (including negligence) or otherwise shall be limited to providing, through its authorized distributor/sub-distributor network, all labor and/or parts necessary to correct such defects free of charge. Any cost incurred in returning the product to an authorized Meyer distributor/sub-distributor is the responsibility of the original purchaser. ALL EXPRESSED AND IMPLIED WARRANTIES FOR THIS PRODUCT, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN TIME TO THE TERM OF THE LIMITED WARRANTY PERIOD. NO WARRANTIES, WHETHER EXPRESSED OR IMPLIED, WILL APPLY AFTER THE LIMITED WARRANTY PERIOD HAS EXPIRED.

Meyer Products disclaims liability beyond the remedies provided for in this limited warranty, and disclaims all liability for incidental, consequential, and special damages, including, without limitation, any liability for third-party claims against you for damages, for products not being available for use, or for loss of profits. Meyer Products' liability will be no more than the amount you paid for the product that is the subject of a claim; this is the maximum amount for which we are responsible. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

What Meyer Products Will Do:

Meyer Products will repair any product that proves to be defective in materials or workmanship. In the event repair is not possible or practical, as determined by Meyer Products in its sole discretion, Meyer Products will either replace the product with a new product of similar model and price, or refund the full purchase price, as determined by Meyer Products.

Customer Responsibilities:

Installation, maintenance, and non-warranty covered repairs are at the risk and expense of the original purchaser. Compliance with the applicable motor vehicle regulations is the responsibility of the installer. Customer must keep the spreader serviced and maintained as recommended by Meyer Products. A written record of service must be maintained, along with receipts for maintenance materials purchased. A copy of the maintenance record and pertinent receipts may be requested in the event of a claim.
